

"How Much Faith Is Enough?"

Mark 5:21-33

1. Your desperate needs will help you find enough faith in Jesus.

What need or desperation is driving you to Jesus?

2. Jesus responds to any amount of faith from anyone.

No matter who you are a good question might be, "How are you exercising the faith that you have now?"

3. You have enough faith for the power of Christ to meet your real needs.

Are you ready to trust Jesus to meet your deepest need?
